Misadventures In West Africa: Sierra Leone

Synopsis

Adapting to cultural changes. Doing business with a different set of rules. Dealing with political bullying and backroom dealing. Finding solutions to impossible situations. Taakor Tropical Hardwood Ltd. made a huge investment in the timber industry in Sierra Leone, only to be blocked at every turn. Misadventures in West Africa gives the reader a glimpse of what it is like doing business and interacting with the people of Sierra Leone. The author tells stories that are humorous, touching, candid, and frustrating. His personal experiences working to help keep a company alive and to provide a future for hundreds of people. Finally, in the end, with everyone turned against them, to help slip across the border into Liberia to salvage the business.

Customer Reviews

I read this book in an early draft and pleased to see it published. "Misadventures in West Africa" is a fascinating and informative collection of original stories based on the author's experiences in Sierra Leone and Liberia. The author provides a valuable look at the cultures and people in West Africa. I learned a great deal from this read. It is a must read for anyone interested in West Africa and, in particular, the nature of doing business in a very unique environment.
