The Perfectly Imperfect Match (Suttonville Sentinels)

Synopsis

Pitcher Dylan Dennings has his future all mapped out: make the minors straight out of high school, work his way up the farm system, and get called up to the majors by the time he's twenty-three. The Plan has been his sole focus for years, and if making his dreams come true means instituting a strict "no girls" policy, so be it. Lucy Foster, needlepoint ninja, big sister to an aspiring pitcher, and chicken advocate, likes a little mayhem. So what if she gets lost taking her brother to baseball camp...at her own high school? The pitching coach, some hotshot high school player, obviously thinks she's a hot mess. Too bad he's cute, because he's so not her type. Problem is, they keep running into each other, and every interaction sparks hotter than the last. But with Dylan's future on the line, he has to decide whether some rules are made to be broken...Disclaimer: This book contains a crazy night of moonlit skinny-dipping, a combustible crush, and kisses swoony enough to unwind even the most Type A athlete. Each book in the Suttonville Sentinels series is a standalone story that can be enjoyed out of order. The Perfectly Imperfect Match by Kendra C. Highly.....Another fantastic book that kept me flipping pages. I loved seeing the story play out for Lucy and Dylan. This story was sweet and perfect, this author does a great job keeping us engrossed. I voluntarily reviewed an advance reader copy of this book from publisher via NetGalley.

Purchased for my daughter, and she enjoyed it.

I haven't read any of this series before, but I have already downloaded the others in the series. I just adored this sweet, charming book! Lucy is not your typical teenage girl. She's passionate and free-spirited, yet incredibly responsible, helping out her mother and little brother while her father is away overseas in the military. She spends her time helping out her best friend and her family with their free-range chicken farm and doing needlework in her mother's sewing shop. To me, she was a fresh of breath air who totally captivated me. It wasn't long before she captivated straight-laced, put together, Dylan. The two meet when she is late dropping her younger brother, Otis, off to a baseball camp the high school baseball team is doing for the summer. She instantly knocks him off-kilter. He has sworn off girls after being hurt and has put all his focus on baseball and trying to get into the minors. He soon finds the only thing he can think about is Lucy. Lucy can see the hurt underneath his too put together facade. She didn't know who'd hurt him, but it was there, gasping for air. He needed to have his heart knit back together, whether he believed it or not. And she knew someone who was damn good with a needle. The two of them are complete opposites, but somehow they work! She brings some chaos and fun into his life, and he brings order to hers. There is some angst and drama and some things that might become obstacles to keep them apart. For all their opposites attract baggage, they were still alike in ways that counted. Enough so that things striving to keep them apart weren't being all that successful. The romance is sweet with just enough sexual innuendos to make your heart skip a bit and feel butterflies in your stomach. The secondary characters, like their best friends and families, really add to the story. It's refreshing to see teenagers who love their parents and whose parents love and support them. The Perfectly Imperfect Match is the perfect summer read for teens and adults. ***Read and Reviewed on behalf of Once Upon an Alpha*****Copy provided in exchange for an honest and unbiased

The Perfectly Imperfect Match is the third book in the young adult contemporary romance series, called the Suttonville Sentitels by Kendra C. Highley. I love that this series centers around the baseball team. It is a series formula that works so well with me, but before the Suttonville Sentitels I had only seen it done in the adult sports romance world, so I love that there is a young adult series that is doing something similar. I read and LOVED The Bad Boy Bargain and Swinging at Love, which I also thoroughly enjoyed. This series is a welcome smash hit for me! And The Perfectly Imperfect Match is a great addition to the series. Just like all of the previous books in this series, The Perfectly Imperfect Match is chock full of cuteness. That is the best way to describe it. It is like a smile in a box. All of the books in this series are actually. Perfectly Imperfect Match is the story of Dylan and Luck. I liked this couple a lot, but I still think Faith and Kyle were my favorite couple but I adored them so much that it is hard to come close. Dylan is super rigid with everything in his life. Watching him with Lucy was tons of fun for me. They were both so different. Their story had a bit of a slower start for me, character wise, than the previous two books in the series, but once I got to know them a little better I really enjoyed them. The Perfectly Imperfect Match is a quick, light and fluffy read. There is not too much in the way of drama or roadblocks. It was perfect for a pool read. I finished it in one quick afternoon. If you are looking for a book that has a little drama and more meat (in that direction) to itsÃ¢Â™ bones, this might not be the book for you, but if you are looking for a quick young adult romance that is super cute check out The Perfectly Imperfect Match and the Suttonville Sentinels series. I loved the mature, yet still age appropriate, characters featured in this extra cute romance.*Disclaimer- I was sent a copy of this book for free. I was not compensated for my thoughts.

Suttonville Sentinels is easily becoming one of my favourite series. I love sports romance, and I love the YA/teen genre. This series offers something different in the way of male lead characters. They may be athletes, but they aren't cocky jocks. They work hard to achieve their goals. The Perfectly Imperfect Match is Dylan's story. We meet him in Swinging at Love, however, if you haven't read book 2 in the series you will still have the full enjoyment of this story. Dylan is a square. He keeps his head in the game and his eye on the plan. Some may say he's boring, but he is driven to achieving his goal. Baseball is his dream career, and he wants to give it his all. This means no distractions including girls. Lucy is a free spirit. She's happy to colour outside the lines. She loves sewing, chickens, and living for the now. She is Dylan's complete opposite. From the second they

meet they clash. They don't fit together like a jigsaw. They are perfectly imperfect so why can't they stay away from each other? This is a hot and fiery relationship with some mild sexual references. This isn't a smooth sailing romance. Dylan can be a bonehead at times but he's a teen. All he has to do is work it out before he misses his chance with the girl of his dreams. 5 stars out of 5. I love Lucy's character, and she is strong enough to deal with the curveballs Dylan likes to throw. Another swoon-worthy teen read.*I received an ARC in exchange for a fair review*
