Customer Reviews

Homeward Bound: A History of the Bahama Islands to 1850 with a Definitive Study of Abaco in the American Loyalist Plantation Period

I am putting together the family tree for a Bahamian girlfriend and found this book extremely helpful - and interesting!

Please make a kindle version! I have read this twice in college and always want to have a copy with me.

Lots of detail for family trees and genealogy, especially from Virginia & the Carolinas.
