## **Customer Reviews**

This program was not effective for me. Maybe its the teaching method, but I had to stop using it. Wish I could return it.

A wonderful buy. I feel like I hit the jackpot with this one.

Fantastic book for beginners : you make progresses fast .

Very happy with the product.

Great However, my cd is warped in the last couple of sessions Need to return and get a replacement Overall it is helpful and a great teaching aid

We have only had it two weeks. My wife and I have made good progress considering that We had never spoken Italian.

I love it. Very nice, basic language and book combination. I would recommend this method of learning a new language at home.

As a former Berlitz student I bought this set to improve my knowledge of italian. And it works! It really is great for learning even on your own. Interesting and motivating. Thanks Mr Berlitz! :)
