Alfred's Beginning Drumset Method: Learn How To Play Drumset With This Innovative Method (Alfred's Drumset Method)

Synopsis

This innovative method presents a practical approach to playing the drumset. Students start their first lesson by actually playing a beat! The book covers two styles, rock and jazz. Students will learn how the hi-hat, ride cymbal, snare, and bass drum are used in each style.

Customer Reviews

Bought this for my son at the recommendation of his drum teacher. He's advancing quickly so it must be working.

Bought this book for my son beginning drums back in May since it was recommended by his teacher, and now 6 months later, he's still banging along in beat with the rhythms! We even had to switch teachers a couple months ago, and the second teacher liked this one so much, she's now recommending it to other students.

Great book for the true beginner. I use it in conjunction with my teacher's book as an added

challenge to what he's teaching me. Will get you playing the basic rock beats, fills, and some jazz too.

It was for my 8 year old and it works for him.

Items arrived on time. Packing was adequate. Item was as described and a little more than I expected them to be. I am happy with the purchase.

A very introductory book. Just what my nephews needed.

Very satisfied with the product and service.
