Customer Reviews

This cookbook delivers exactly what it promises, excellent Thai takeout recipes. The layout is very user friendly and the photography is well done!

We love Thai take out food but the best Thai restaurant is 12 miles away. This cookbook makes it easy to make what we love. The only thing I would suggest is a photo of every dish. Photos would give a visual to compare our creations against.

Love this book and the recipes in it.

Simple,good but seems incomplete

as expected
