Customer Reviews

This book arrived well within the estimated time, and in excellent condition as stated. It mentioned some very educational and entertaining stories of our early beginnings in ministry.

I chose the book because I was looking for stories I could share about traveling ministers. It provided me with a lot of material to use for my presentation. Any Methodist or people interested in history would enjoy it.

Some of the anecdotes are quite amusing. While some of the quotes are memorial.

Dr. Robert Drew Simpson was our minister in New Jersey for 25 years and all his wit and warmth comes through in this terrific collection of Methodist anecdotes from the early years of Methodism in America. We find this a great addition to the confirmation curriculum since it deftly brings a human face to Methodist history.

At last, here is a book that presents the quirky and all-too-human side of Methodist history. You'll meet a wide array of ministerial giants -- from Francis Asbury, the tireless itinerant bishop roundly acknowledged to be the father of American Methodism...to "Crazy" Dow, an evangelist with as many idiosyncracies as a "Northern Exposure" character. This is not dry historical reading by any stretch. A must-read for any student of Methodism or mainstream religion in general, this is a colorful window into one of the most influential religious organizations in the world.
