The Boy Scouts of America is the largest youth organization in the United States. Since its founding in 1910, more than 110 million boys from all parts of America have been members. The circulation of Boys' Life was 6,000 in 1912, and the magazine now has over eight million readers every month, including Scouts and non-Scouts.

My son-in-law was an Eagle Scout and is getting ready to take his 5 and 4 year-olds on their first camping trip. They have been preparing and looking forward to it all winter. I remember how much I enjoyed Boy's Life when I was a kid and took a chance that the grandkids would, too. They just loved it! They report what they have learned from the various articles and are eager to try out their skills. Their dad loves it as much as I thought he would.
