Gun Violence (Opposing Viewpoints)

Synopsis

Those who do not know their opponent's arguments do not completely understand their own. This book is one volume of the highly acclaimed Opposing Viewpoints Series developed by Greenhaven Press. "Each volume in the Opposing Viewpoints Series could serve as a model...not only providing access to a wide diversity of opinions, but also stimulating readers to do further research for group discussion and individual interest. Both shrill and moderate, the selections -- by experts, policy makers, and concerned citizens -- include complete articles and speeches, long book excerpts, and occasional cartoons and boxed quotations...all up to date and fully documented. The editing is intelligent and unobtrusive, organizing the material around substantive issues within the general debate. Brief introductions to each sections and to each reading focus the questions raised and offered no slick answers."
