Adventure Guide To Anguilla, Antigua, St. Barts, St. Kitts, St. Martin: Including Sint Maarten, Barbuda & Nevis (Adventure Guide To Anguilla, Antigua, St Barts, St Kitts & St Martin)

Synopsis

The first edition of this book, Adventure Guide to the Leeward Islands, won second place in the Best Book category of SATW's Central States Chapter. Each of the islands in this chain - Anguilla, St. Martin/Sint Maarten, Antigua, Barbuda, St. Kitts & Nevis - has its own history, culture and ecology, offering a cultural melange for those on an island-hopping vacation. Rainforest, beaches, wetlands, mangrove swamps and offshore shoals afford an unlimited variety of places in which to create your own adventure vacation. The Adventure Guide to the Leeward Islands is THE ultimate resource if you're heading for some fun in the sun. Covering all the usual sites and attractions featured in other guidebooks, including historical forts, plantations and in-town places of interest, this Adventure Guide also leads you away from the tourist traps and into the heart of the island to discover hidden waterfalls, pure mountain streams and secret trails. In addition, you'll find an entire run-down on where to stay and eat, from five-star resorts to family-run B&Bs and from haute cuisine to roadside stands selling the best BBQ chicken on the island. Focusing on outdoor activities, the authors recommend local tour operators and adventure outfitters, with contact names and numbers. Maps and photos.

Customer Reviews

Directs you into the great outdoors; the information on trekking, canoeing, wildlife refuges, golf courses is well researched. -- The Sunday Telegraph

"These useful guides are highly recommended... " Library Journal This signature Hunter series targets travelers eager to explore the destination. Extensively researched and offering the very latest information, Adventure Guides are written by knowledgeable, experienced authors. The focus is on outdoor activities - hiking, biking, rock climbing, horseback riding, downhill skiing, parasailing, scuba diving, backpacking, and waterskiing, among others - and these user-friendly books provide all the details you need, including prices. The best local outfitters are listed, along with contact numbers, addresses and recommendations. A comprehensive introductory section provides background on history, geography, climate, culture, when to go, transportation and planning. These very readable guides then take a region-by-region approach, plunging into the very heart of each area and the adventures offered, giving a full range of accommodations, shopping, restaurants for every budget, and festivals. All books have town and regional maps; some have color photos. Fully indexed.

Dec 2006 - Just finished 7 days on nearly all islands in this book. Maps and general info. ok. Other info out-of-date. Saw a 2007 travel book just released (Frommers?). Summary, get a more current and up-to-date guide for the Lesser Antilles. Lesser Antilles is a great place to visit. You want to do fancy - it is very expensive. Otherwise, did not find costs outrageous.

I read the review that said this book was worthless and chose to ignore it - mistake! You can definitely find all of this information, plus a whole lot more, via the few websites and message boards about Anguilla. Buy a book to read on your trip instead!

I have found this book to be an informative helpful guide about some of the Caribbean islands which little seems to be written. It is particularly useful for someone, like myself, who is ready to explore the Caribbean beyond their own favorite island, in my case - St. John. I am finding it to be a great resource tool. A minor fault - I wish it had more colored pictures.

I was very disappointed with this guide book. I've bought a lot of guidebooks and have never seen one as general as this one. The information contained in Fodors or Frommers big Caribbean books give better coverage to St. Kitts which is what I was interested in learning about.

I am sorry but this was worthless. All the information in this book is on the internet. This book brings no value to a traveler going to any of these locations.
