This is a fine compilation of generally clean, sometimes risqué, humor with a Marine Corps flair. It really helps to understand the mindset of the Marine and the rivalries between them and the other branches of service. It ranges widely from the jokes that make a Marine pump his fist and grunt with mirth to some more sophisticated stuff that might make them scratch their heads and grunt with bewilderment. Either way, they will grunt...just don't refer to them as 'grunts'.

I bought this for my husband for Father's Day! He has read it 2 or 3 times. Loves it, and some of the readings are very, very funny!

This is an excellent coffee table book for a nostalgic marine. It certainly made my dad laugh (he is a retired marine). Not something you would pick up and read from cover to cover, but fun to flip through. Each page only has one little picture and a saying, quote or chant on it.

Excellent!!! Turning things on their ear to get the job done!!! The fun is knowing what the job is, right!!! Good luck!!! Just kidding!!! I'm also laughing, too!!! You will get most, but, it might help if you have a friend who is or was, a GI, too!!! Definitely worth your while!!!

I gave this to my son upon graduating from Marine boot camp. He was laughing as he read, so it must be good!

Very funny...

Truly good Marine humor!

Perfect gift for a Marine.
