Customer Reviews

The artwork looks great. Drake is drawn cool and in a pose on stage Riahanna is with him and she is drawn gorgeous. She is a beautiful red headed ebony goddess. It is great to see a star that had a relatively normal childhood and upbringing. JAZMAONLINE"I have said countless times that growing up reading had been difficult for me, but thanks to comic books, I was able to learn. Now we can also show younger fans the fun they can have by reading," said Davis. This is a great biography book! I learned a lot that I did not know, and it was fun to read. Who would of ever thought that a comic book can be in a biography format. I think these are great collectibles as well as a fun read. I really enjoyed the artwork as well - very classic and cool!
