## **Customer Reviews**

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nations top publishers of calendars and dated stationery products. Setting the bar for top-notch quality, a broad range of designs and licenses, and unmatched service, TFP continues to earn the trust of retailers and consumers alike.

The calendar was attractive enough, but apparently this year the calendar maker decided to save .0000003 cents by not including a description of the pictures (tree type, location, or both) which I consider lazy, cheap and annoying. If they're going to pull stock photos and print them they have no business charging what they do. Will not buy from this publisher again.

A little more expensive than what I usually pay for a yearly calendar, but I do like the layout of the grid for each month and the tree pictures are realy beautiful!

Love trees and I love this calendar. Beautiful photos. Well done.

very nice, beautiful calendar

I usually go for castles but this year wanted something a little different. This hit the nail on the head. Beautiful pictures and a very nice verity.

I gave it to my boyfriend for new year's. He was a forestry major, and he loves it! But I wasn't a forestry major, and I love it, too.

GREAT CALENDAR WILL BUY EVERY YEAR.

Arrived on time and in very good condition! Love this calendar - good job and thank you!
