## Customer Reviews

Yummy, Yummy, and then Yummy. Easy to follow with no complications of finding some unusual ingredient.

Not tried that many recipes but the ones I did worked out well.

I purchased this as a gift. My aunt really enjoyed this cookbook.

This recipe book has recipes that are extremely simple, delicious. Some of them are for just a few people. This is probably the only recipe book I have found that is truly an easy, healthy and no hassle way to cook a great meal. Made with ingredients that most people will always have in their kitchen.

I love dump dinners. They are fast and convenient to a family with no time for long dinners.

Love these recipes!! So easy!!

I did not like this book at all. Many of the recipes were repeated. There were too many recipes for pork (which I can't eat) and cake (cake is a dessert--I thought this book was about dinners). Sorry--I just didn't like it.

Love it.
