Product Dimensions: 0.8 x 8.2 x 10.5 inches

Shipping Weight: 1.9 pounds

Average Customer Review: 3.0 out of 5 stars 13 customer reviews

Best Sellers Rank: #1,228,906 in Books (See Top 100 in Books) #72 in [Books > Health, Fitness & Dieting > Diets & Weight Loss > American Heart Association](#) #1129 in [Books > Medical Books > Medicine > Internal Medicine > Cardiology](#)

Customer Reviews

ACLS Provider Manual

Note that this is not the most up-to-date ACLS provider manual. Back when this was the current manual, it was a requirement and a useful tool for ACLS. I recommend getting the most current manual unless you require a historical look at ACLS instruction materials from the past.

As advertised, on time.

No it was an old version

Loved

Good price, no complaints.

love it. it's a very nice product. arrived in good condition. description is accurate. very good book. will recommend to my friends.

This manual was good for the test that I had to take for my job. It was in good shape and the description was spot on.

should not be selling older versions of ACLS guidelines. AHA changes guidelines every year; unless the manual is current, it is probably inaccurate. In any case, the AHA should not be selling medical guidelines. Other medical organizations freely publish guidelines as part of their mission to improve care.
