Loved

Cute book but pages are thin

This book was good and different with the dark background. However, I wish it didn't contain all flowers.

Really enjoy this book. I've colored quite a few of the pages, removed them, framed them and given them to co-workers.

Beautiful pictures & fantastic southern sayings-all very familiar to this authentic southerner. Well done!!

Cute and funny

Great product

It's cute - a lot of sayings I wouldn't consider "southern" as many of them I'd heard of and some even frequently used in the northern parts of Illinois. But if you want to color and learn a couple new phrases, this one is a good one to use.
