Synopsis

On a hallucinatory road trip from the Badlands to Graceland, the spirits of Theodore Roosevelt and Elvis Presley battle over the soul of Ann, a painfully shy meat-processing plant worker, and what kind of man or woman Ann should become. Set against the boundless blue skies of the Great Plains and endless American highway, *RoosevElvis* is a new work about gender, appetite, and the multitudes we contain.

Customer Reviews

I just read through this in one sitting. The simplest way to put it: *RoosevElvis* is a unique experience. There's not really a lot you can even say about it.
