What He Decides (What He Wants 11)

Synopsis

Introducing WHAT HE DECIDES, volume eleven in the hot and sexy new WHAT HE WANTS series by Hannah Ford... Twenty-one-year-old law student Charlotte Holloway isn't the type of girl to lust after things she can't have. But when she starts working for the sexy and mysterious Noah Cutler, Charlotte can't help but dream about the gorgeous billionaire, even though she knows it's just a fantasy. Men like Noah -- gorgeous, dark, and driven-- usually aren't interested in women like her. Noah Cutler is a man who doesn't take no for an answer. His drive to go after exactly what he wants has made him one of the most powerful men in the city. And while he could have his pick of any woman, his sights are set on Charlotte. And he won't stop until he's taken control of every inch of her deliciously curvy body. *A hot and sexy alpha billionaire romance, perfect for fans of Cassie Cross and J.S. Scott*

Customer Reviews

What an exciting joy ride, that Mrs. Ford is taking us on, I do however have to say that I'm disappointed, she has broken up forty page characters into so many books that it's starting to get

crazy! I like most readers do love a good cliff hanger ,but you have to admit that this is absolutely ridiculous. I really do think that your an excellent writer (that goes without saying) but I believe that your going to lose a lot of fans .Upon review however I do love the characters and the story line.It also rather addictive.am a huge fan of your work

This series presents a intriguing story line that is well written. However, to present the continuing series in books with less than 100 pages for \$2.99 each is excessive. I have yet to read any author worth more than a passing thought for less than 100 pages. This is a 19 book series (and it is not over yet) that could have been condensed into less than 10. My recommendation.... find another series.

This is a great series but very short. This series has 22 books to it. So far the books that I have read has 30 pages at \$2.99 each.

This is suck a shame it's a great story BUT. it's \$2.99 for every "book" which is about 1/2 hour of reading I wish i never started this

So intense, and now getting I my even more intense. Noah finally is going to bring more to the relationship. And now Charlotte is is real danger. On to the next book

I can't stop reading the series. I'm so ready to continue on..

Good of kind.

very well written
