Examen De Ciudadania Americana Español Y Inglés: U.S. Citizenship Test English And Spanish

Synopsis

This 2014 Spanish-English edition of the popular book features the "flash card" method of reviewing (Question on one page and the answer on the following page). This makes studying both easy and fun - and helps you prepare well for the citizenship test. The 100 civics questions are presented in 3 different ways: 1. Regular Question/Answer format: (each question followed directly with the answer). This format is helpful when you first start studying the questions and answers. It gives you a bird's eye view of the questions and answers. 2. Historical order (Logical Order): The same 100 answers are rearranged in a logical, historical order. This helps you to see the relationship among the questions and helps you to better remember the answers. 3. Question on one page and the answer on the following page. (Flash Card Method). This allows you to test your memory and makes memorizing the questions and answers both easy and fun. The book provides exercises in both reading and writing and includes: 1. a complete list of the words you must know how to read 2. a complete list of the words you must know how to write 3. sentences reading and writing practice. This book also provides: 1. A list of helpful web addresses 2. A list of the 50 states and their capitals

hay

Exactamento lo que se necesita!

The book has a grammar error in the title. In Spanish, Y ("and") changes to E before a word beginning with I- or Hl-. Instead of "Españ ol y Inglés", it should be "Españ ol e Inglés". If they can make a simple mistake like that in the title, I wonder how many more Spanish mistakes are in the book itself.
