## Synopsis

Getting Your FREE Bonus Download this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion. **Knots: (FREE Bonus Included) 20 Lessons On Tying And Using Knots With Step by Step Instructions** If you have ever tried to secure a load to your trailer or roof of your car before driving down the road paranoid about it all falling off; then this is the book for you! Ropes and knot tying are essential parts of life. You may not think about it much but you will probably tie a knot or two every day of your life. However, there is a big difference between tying a knot which will hold securely and one which will give up when you really need it. There are many times when you will wish you knew the right knot for the situation. It can range from completing temporary repairs round your home, to creating a dog leash or even being able to drag a heavy object out of the way. This book will give you all the information you need to become an expert at tying knots. You will learn: Little history to knots and when you will need to use this knowledge 10 basic, very simple knots which can be used in a variety of situations. These are often the basis of more complex knots. A further 10 knots which can be used in everyday situations; even if they were originally designed for mountaineering or fishing.
