Edmonton, Alberta, Canada: A Travel Guide

Synopsis

Length: 4400 words
Shane Lambert, an Edmontonian, travel writer, and hospitality worker, offers commentary on Edmonton in this publication, the city he has resided in, for the most part, since 1986. Drawing upon his personal experience and professional experience working in the hospitality field, Lambert provides a travel guide in this publication that is meant to succeed where several other travel guides fail. Offering concision and yet providing a good overview of the city of Edmonton, Lambert gets to the point and covers the following tourist topics without any guff: transportation, events, sports teams and their venues, "party zones", tourist attractions, and rougher areas in Edmonton. The result is an affordable publication that can read in one sitting but that can still help a visitor to Edmonton prepare for his/her upcoming stay.
