For over 80 years, Fodor's Travel has been a trusted resource offering expert travel advice for every stage of a traveler's trip. We hire local writers who know their destinations better than anyone else, allowing us to provide the best travel recommendations for all tastes and budget in over 7,500 worldwide destinations. Our books make it possible for every trip to be a trip of a lifetime.

This is listed as a new edition but it feels more like a reprint. The prices shown are sometimes half the actual price, restaurant reviews seem to be out of date. The maps, which are usually a strong point of Fodor guides, are very hard to understand. There's lots of good information here but overall I'm disappointed with this book.

This is filled with useful information. Everything from what to see, what to pack, and what money to use.

Lacks information. This guide is basic basic and more thorough than the National Geographic guide- but Fodor's really should hire some peopleDo do some in depth investigation of the areas featured in the book.

This is a great combination of historical information and practical tips. Fodor's didn't miss a thing. The book is small enough to take on my trip.

Very good help. We booked our trip with an agency recommended on the guide and tried a lot of the restaurants.

Good standard travel guide. Maps are small on my tablet and hard to read.

I probably should give this book a 5 star rating, but I was focusing on the Inca Trail, and did not read the whole thing. I liked what I read & found it helpful.

Nice travel book, packed w/ tons of info for our upcoming trip.
