Not really what I expected.

not what was expected

It was okay but could be better but it was great for the occasion more recipes please

very small book not the dishes i had in mind was in it

I like the recipes and how they turned. They are very easy to follow and it turns great. No leftovers here :)

I bought this for my husband. He lived in Trinidad for four years as a child and loved the curries. This cookbook did not contain any dishes he remembered or cared to try.

I was disappointed with this book. It was lacking many thing and I did not like it. I have seen better put together west Indian cookbooks.

Good book. Good simple recipes easy ingredients, easy directions. Good for the American palate and seasoned west indian palate to enjoy fully.
