LEGAL LOOPHOLES: CREDIT REPAIR TACTICS ESPOSED

Synopsis

"It is estimated that over 80 million Americans are living with poor credit, and recent studies have shown that up to 79% of all credit reports contain errors. Use this recession-proof, guerilla-repair guide to quickly and legally repair your credit and improve your scores. Don't pay credit repair companies thousands of dollars; do it yourself, and be fast on your way to owning the car or house of your dreams.â€¢Remove accurate negative informationâ€¢Boost your scores in as little as 72 hoursâ€¢Establish credit fast and easyâ€¢Laws to stop creditors fast in their tracksâ€¢Secrets the credit bureaus don't want you to knowâ€¢Remedy identity theft in 4 daysâ€¢Finally, a credit repair guide that delivers! I applied these legal-loopholes tactics and improved my credit score by over 100 points in less than 30 days! The author uses his legal background to shed light on the little-known provisions in the law, allowing you to legally and quickly repair your credit and boost your scores. Yet his simple approach and sample legal form letters make repairing credit so easyâ€¢you need only be smarter than a fifth grader to do it yourself.â€¢â€¢E. Henry, Milwaukee, Wisconsin, savvy consumer"

Customer Reviews

Excellent book and very informative. I enjoyed the information and it can be used as a teaching tool. This book is highly recommended. You will not be disappointed.

I felt this book was an easy read and clear to understand which is perfect for someone beginning their credit repair journey.

I read this book. It is a short to the point reading. It is very informative, especially for someone who does not know how to remove adverse items from a credit report. I recommend this book to anyone wishing to improve the credit scores. The author has revealed actual facts and information that can be used to help your situation.

Excellent Book. Very well written. The author gives you references to statutes in the FCRA and FDCPA to frame your dispute letters. Great Read. Can be used as a reference guide for many years!!!!

It wasn't what the reviews said. I was a little disappointed.

I found this book to be very useful I was able to boost my credit score quickly. It was very easy to read and every chapter is straight to the point for your situation. The tools needed for repairing your credit are easy to follow and if you need the know how, it's all there step by step. If you don't purchase this book you'll kick yourself!

I already knew most of it but thought I would find something new

Very disappointing all of this is information anyone should already know, there was no real helpful information listed.
