Violence Through A Forensic Lens

Synopsis

For nurses, dealing with violence is not an option. Because it's part of life, it's part of their practice. The author takes readers through it all—assault, rape, and homicide—in our streets, our homes, our schools, every healthcare setting and even the Internet.

Customer Reviews

For nurses, dealing with violence is not an option. Because it's part of life, it's part of their practice. The author takes readers through it all—assault, rape, and homicide—in our streets, our homes, our schools, every healthcare setting and even the Internet.

Book arrived as per information on order site. Great cost for a recommended book for a course I am taking on forensic health of offenders.
