Customer Reviews

Book by Arco

Great Job, no problem with these people.

The manual helped with the kind of information that would be on the test but the questions were kind of about outdated products that aren't used now. It did help to go through it to get a general idea of what kind of questions would be on the test.

Excellent book I pass the test

No happy

THIS BOOK IS VERY MUCH OUTDATED.IT USES A LOT OF OBSOLETE TERMS AND THERE ARE SOME PRINTING ERRORS(INCLUDING THREE ANSWERS PRINTED INCORRECTLY!)IT WAS NOT VERY REPRESENTATIVE OF THE ACTUAL EXAM THAT I TOOK FOR ACCT/AUDIT.THIS BOOK WAS NOT VERY MUCH HELP AT ALL.YOU COULD DO A LOT

BETTER WITH SOME WELL DESIGNED SELF-HELP BOOKS.

I found this book to be a waste of time. This book does not give an explanation to a majority of the questions throughout the book, especially the multiple choice questions. What good is it to have the correct answer if you don't know why it is or even how to get the answer yourself. I would not recommend anyone to use this book as a study aid. The only thing this book is good for is to get an idea of the type of questions.

This is an outstanding guide to studying for the local government Accountant test, i.e. City, County etc. A great value. You must possess an Accounting background and be willing to spend some time studying the material. I've been out of Accounting School for some 30 years, so I spent two to three hours a day for the week or ten days prior to the test studying. I achieved the desired results; #1 on the Accountant I list.
