Customer Reviews

I've been needing to lose weight for a while and I love this book!! There's great tips on starting to prep and even tells how to use a spreadsheet for a total list of grocery items. Nice tips on time saving tips for prepping is my favorite part. Very nutritious recipes that look good with lots of variety and shows nutritional information and calories. At the end of each recipe tells how to prep and store it. Overall this is a helpful book for beginning preppers!!

I love this cookbook! It contains a large variety of recipes. Recipes are delicious and really quick to prepare. Most of the recipes will take less than hour to prepare. They are simple enough to make, but delicious enough to impress your friends and family. All recipes in this book are saved with simpler ingredients with easy cooking directions. Your family followers will absolutely request you to prepare these dishes again and again.

I have spent most of my majority of my adult life eating at McDonald's and the pizza parlor, and I was looking for a way to eat healthier without having to become a gourmet chef. This book has me very optimistic about my future eating habits. It contains a very simple yet effective schedule for meal prepping, along with a wide variety of healthy meals that even I feel comfortable preparing. This is a great book for someone looking to make major changes to their eating habits.

This is an amazing guide book for weight loss and a healthy life. In this book you will find a lots of recipe for leading a healthy life. From this book you will get some benefits like lose weight easier, save time and energy, save money, control over nutrition and much more. I hope you must find this book helpful.

A nice comprehensive read. The recipes are really beginner level and are easy to follow. The book contains nutrition info which was especially important to me. Recommended read.

I grabbed this book for my mom who is already retired and enjoying much of her time in the kitchen. This book is helpful guide for her because in here she will learn the the proper meal preparation as well as the usefulness of it, Absolutely she would love to try the recipes.

The recipes contained in this book are very easy to make and taste very good as well. This book is perfect for anyone who doesn't have much time to prepare their meals. This book teaches you how to prepare delicious meals in under 5 minutes.

This is a great book on MEAL PREP..This book is really a great resource for those who want to learn more about MEAL PREP.Great book about clean and healthy meal preparation.
