A Photographic History Of P&O Cruises

Synopsis

One of the world's most loved cruise lines, P&O Cruises can trace its history back over 175 years. This book follows the history of P&O Cruises and how P&O helped shape the British Empire. With a fleet of liners that undertook voyages to all corners of the globe, P&O was instrumental in immigration to Australia and New Zealand, while acting as a gateway to the Far East and India. After the advent of jet aircraft, this venerable company reorganized their services, offering pleasure cruises. In Australia, P&O held a near monopoly during the 1980s and 1990s with their ship the *Fairstar*. Today, part of the giant Carnival Corporation, P&O Cruises has grown, offering British-based cruises, world voyages, and a specialist Australian subsidiary that sails into the South Pacific.

Book Information

Paperback: 144 pages

Publisher: The History Press (February 2, 2015)

Language: English

ISBN-10: 0752489011

ISBN-13: 978-0752489018

Customer Reviews

Chris Frame and Rachelle Cross are co-authors of several books, including QE2, QM2, QV and QE: A Photographic Journey and The Cunard Story. Rob Henderson and Doug Cremer are responsible for a significant maritime history archive and a large collection of unpublished images.

Disappointing contents

A photographic history indeed but with lots of interesting information about this venerable shipping company. A book which should appeal both to the dedicated cruise ship enthusiast and casual

reader alike. Easy to read, it can be picked up at any point and the reader learn about a particular era in the company's long history. I particularly enjoyed the "Did You Know" inserts and there is a useful appendix listing all the P&O ships used on the Australian service. If you have taken a P&O cruise, or maybe migrated to a far land on one of their famous ships, this book is sure to interest you.

Very informative and easy to read. A wonderful pictorial history on this historic shipping company and extremely factual with all of its content. A must have in anybody's collection.
