The stories are about their challenges, their test of faith, and their triumphs of discovering true love and real men. Meet Cate, she came from a well-off family in Michigan. She doesn't know any household chores as they have plenty of servants. However, she had the best education and even knows 3 different languages. When their father died, they have lost all of their wealth, and the pastor of their church suggested she marry one of the men who had written to him seeking for a wife. Can Cate move to a new town away from everything she knew and loved? Will Luke regret having a wife that doesn't know anything about keeping a house? Can Cate and Luke find true love in spite of their "miles apart" differences? Grab your horse and go for a ride over to the Black Hills in the lovely, hot and dusty county of South Dakota. Hang out with the patient and understanding Luke, meet the kind and loving Oberfeld family and also get to know Cate, our heroine who's struggling to learn to cook, clean and take care of the animals in the hopes of finding true love.....

Customer Reviews

I enjoyed the story of Cate learning to become a rancher's wife after living a life of privilege. What I really loved about this book, is the way God is infused into the story, and leading and guiding Cate and how she reaches out to Him to help her. My daughter who is 12 is always curious about what I reading, and I loved knowing that I could read this story out loud and not worry about sexual content or violence, this was a sweet story, and I have already have another book by Katie Wyatt to read.

This is just a very nice romance story of hope, handling life changes and love. Fast read and great for a lazy Sunday afternoon. Looking forwards to book 2....

Katie has deliver another enjoyable read. A fast reader could finish this tale during a long lunch break, and return to work feel uplifted and full of hope..Her heroine Cate teaches us to embrace new things even if we fail at first. One should enjoy life's journey.

I enjoy your books. It is hard to put your books down. They seem to end to soon. Keep up the good writing.

Interesting struggle for a sophisticated young lady to transplant herself into the wilds of North Dakota. With no apparent skills to keep a household she must rely on their faith.
