Iniquitous: A Dark Paranormal Romance (The Marked Book 3)

Synopsis

For there to be light, you must first suffer the darkness. The end came at me jagged and skewed like puzzle pieces to a game I didn't know I was playing. There was a distinct method to the madness, every move propagated to force my hand, to lure me out of hiding with the sweet promise of finality. I took solace in knowing that something better waited for me on the other side, something as pure and deep as the ocean itself. But there was no end in sight. No peace to be found. The end was only the beginning. INIQUITOUS is the heart-pounding third installment in The Marked saga, a fast-paced YA paranormal romance that grapples with love, loss, and self-discovery in a unique supernatural world filled with vampires, witches, shifters, and angels. This book is part of a series and ends in a cliffhanger. INFERNAL (The Marked Book 4) will be available this summer 2017.

Customer Reviews

Finally Jemma starts to kick some vampire butt although she is still drawn to Dominic and his dark side. They have a moment when he confessed how he felt about her and then he promptly compelled it all away just like the Damon Salvatore and Elena moment in Vampire Diaries. I would

have liked more backstory in this series as there was so little information about the Order and their history that it was hard to understand their actions when it came to Jemma. After being gone so long why wasn't everyone searching for Jemma when she just up and disappeared? So much happens in the last few chapters that it feels rushed and the ending is definitely thought provoking. I am not sure if I will continue with this series as it just did not connect with me as other books have.

This does end in a massive cliffhanger. But, boy oh boy, the amounts of twists and turns can make one motion sick! Just when you think you know what's going on, your theories get disproved. This is the best one of the series, so far. I am still in shock.

I usually love cliffhangers because it means more of the story right? This one however just made me want to throw things and yell. I really REALLY want book 4 NOW!!! I really recommend this series!!! Loved it!!

If I would of know there was no fourth book I wouldn't devoured the books in 3 days. It was a great story line. I kind of wished Jemma was a little bit secure in herself maybe book 1 and 2 she whined too much. But finally in book 3 she is on the path to become who she needs to be. And hottie Trace you just can't end it like that. You could of taken Dominic I gladly sacrifice him up. The characters were really great each had something to share.

Ahhh! She did it again! As the third book in this series, this is by far my favorite yet! I've become attached to her characters and am so sad to hear there will only be one final book to release.

I read many books and I am so impressed with Bianca Scardoni's amazing ability to tell a story. I could not put this series down. 3 books in 4 days. You will not be able to second guess any of the twists in these books. I am waiting and wishing for the next book. Bianca, thank you for sharing your talent with the world.

Can't wait for the next one. Amazing as always. Keep them coming please. Well written and a fantastic story!! Great!!!

This book did not disappoint!!! From the first page to the next, it kept you guessing what was going to happen. I can't wait for the next book to see what Jemma will do to save her love.
