Customer Reviews

This series is not just for kids.....or it is for the kid still living in adults. These books have changed my life. TA Barron is an amazing story teller and clearly has real esoteric knowledge that he is weaving into his tale of Merlin. These books will kindle the flames of imagination and wonder for the magic that lives in this world and is born out of our hearts. Do yourself a favor and enjoy them!

A journey for a particular fellow, to find his roots and who he is. That sounds a lot like Merlin.

Great, Thanks!

very good

I did not finish the book to be honest, not because it was bad but its because it did not talk about merlin, Barron mentioned merlin once or twice, new characters emerged and merlin is gone so am confused and disappointed but overall thanks Barron, great five books.

I bought these books for my grandson. He read and enjoyed them.

I have recommended this book and the rest in the series to others. As for this book it was confusing at first since the rest had been specifically about Merlin. Once into the book and closer to the end things began to make sense.

The book was not up to his style, though it explain characters that Bridge the gap between the Merlin Series and the The Tree of Avalon Series. I love his whole series.
