Historic Walking Guides Edinburgh

Synopsis

Edinburgh is one of Britain's most visited cities, and it is also one of its most historic cities. If you're visiting Edinburgh for the festivals, or as a regular tourist, *Historic Walking Guides: Edinburgh* is the perfect companion to your trip. Written by Edinburgh expert Andy Hayes, this book takes you on a series of walks through the city uncovering the historic sights and attractions you'll pass along the way. Each walk is themed, so you can tackle one at a time, or simply pick the ones that interest you. From hidden gardens to public railway tunnels, there is no other guide book that uncovers so much of Edinburgh's hidden attractions and history. Each map has clear directions, pictures and a handy map to follow.

Customer Reviews

Easy to use and is making planning our trip a breeze. I recommend this book for someone who is going abroad for the first time.

This book has tremendously enriched my travel experience in Edinburgh. It allowed me to see the city from completely different and unique angles which would not have been possible with a regular travel book alone. The walks are described in detail and provides information on all the sites you encounter in your route. At times it felt as if I had my private guide standing right next to me!

Really enjoyed this overview of Edinburgh's history and highlights of the city sights. The guide

covers some off beat stops as well as points out some obvious points that I wouldn't have even noticed, right on the main street. Terrific guide - the maps are a bit hard to read in places, but this seems to be a common problem on Edinburgh maps, but for me the content outweighed this tiny problem.

This booklet is a disgrace. The maps are tiny and useless. The photos are black and white, their quality like Xrox. Table of contents pages numbers don't match the actual numbers. As for the walks, some are amazingly trivial, like the Royal Mile (do we need a guide to tell us to walk down the most touristy street in Edinburgh ?) or really off the track. It's the worst guide I've ever bought.

I used this book on my third visit to Edinburgh, and found some new advice, new tips and got a little under the skin of the city with this guide.
