Frommer's Bahamas 2012 (Frommer's Complete Guides)

Synopsis

Completely updated every year. Insider advice—on avoiding the crowds as you hit all the best beaches, resorts, outdoor activities, restaurants, and nightlife. We'll show you the hot diving spots, from Grand Bahama to Bimini; the most abundant fishing at Treasure Cay or the Exumas; and the best golfing on Paradise Island or New Providence. Plus tips for navigating the less-traveled corners of the Bahamas, from San Salvador in the south to the Abacos in the north. Where to find—the best rock lobster on Harbour Island, the hottest clubs on Cable Beach, or the best family getaways on Great Exuma. Insightful commentary—on honeymooning, touring the Bahamas' national parks, or just sailing around. Opinionated reviews—No bland descriptions and lukewarm recommendations. Our expert writers are passionate about their destinations—they tell it like it is in an engaging and helpful way. Exact prices—listed for every establishment and activity--no other guides offer such detailed, candid reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people. User-friendly—features including star ratings and special icons to point readers to great finds, excellent values, insider tips, best bets for kids, special moments, and overrated experiences.

Average Customer Review: 3.3 out of 5 stars 8 customer reviews

Best Sellers Rank: #2,073,617 in Books (See Top 100 in Books) #90 in Books > Travel > Caribbean > Bahamas #1128 in Books > Travel > Caribbean > General

Customer Reviews

For panoramic views of Hope Town and its harbor, climb to the top of the town's historic lighthouse. See chapter 7. Detailed maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

Veteran travel writers, Darwin Porter and Danforth Prince, have written many popular guides to the Frommer's series, including books on the Caribbean, France, England, Germany, and Italy. This travel team wrote the first-ever Frommer's guide to The Bahamas, and also a number of other Frommer's books to such island destinations as Bermuda, Puerto Rico, Jamaica, Barbados, Dominican Republic, and the Cayman Islands. Porter is also a Hollywood biographer, film critic, broadcaster, and columnist. Prince was formerly employed in the Paris bureau of The New York Times and is the president of Blood Moon Productions.

Was traveling to the Bahamas and needed to "read up" on what to expect. Always a great guide for everything. It clearly profiles, hotels, restaurants, places of interest, maps, travel options and so much more.

wife was upset, no pictures. I told her to create the pictures but she was not impressed. It's in the drawer of our Sandals resort nightstand for the next individual. lol

This guide gives a very explicit picture as to where to go and what to do while vacationing in the Bahamas.

The Frommer's book is a very good source of info on the Bahamas. We're planning to travel to Eleuthera and needed more info. This book is a good addition to our research!

I am taking a cruise soon to the Bahamas. This book is giving me the information that I need for my trip.

It's early 2012. I figured a 2012 guide would be our best bet. Boy were we wrong. Of the four or so things we did and saw as a result of this book, three were way outdated. It described a garden in Freeport that the book said includes a petting zoo. That petting zoo hasn't been operational since about 2004. It says you need to buy your tickets at the Rand Nature Center for the Lucaya National Park. You don't. Glad we didn't follow that because it would have wasted about an hour. Also says nothing about the Grand Lucaya Resort being half-closed (some outer, older sections) and as a result apparently one of the island's best restaurants is also closed. Prices on certain activities were more than 20 percent off (indicating a long time since update). You get the picture. Lonely Planet

has never let me down. Now I remember why we usually rely on it.

Really would have liked photos.

got this just before heading out on an incredible vacation with my fiancé. It was so incredibly helpful when planning sight seeing and activity trips, as we didn't want to just stay within the resort. We had such a good time.
