2013 Antique Maps

Synopsis

Antique Maps takes you back to a time when the world was still being discovered and maps were more art than science. This 16-month calendar includes major holidays, moon phases, and daily grids for listing appointments and reminders.

Customer Reviews

Print quality is not that good, and I don't really like the overall layout. I expected it would have much more exciting maps.

Well-reproduced, interesting illustrations, and large "clean" boxes for each day's reminders. I'll enjoy looking at this over the next year.
