Killer Elite: Completely Revised And Updated: The Inside Story Of America's Most Secret Special Operations Team

Synopsis

A top-secret US Army Special Operations unit has been running covert missions all over the world, from leading death squads to the hideout of drug baron Pablo Escobar to capturing Saddam Hussein and, in one of the greatest special operations missions of all time, helping to track down al-Qa'eda leader Osama bin Laden. "The Activity," as it became known to insiders, has achieved near-mythical status, even among the world's Special Operations elite. Hidden from the politicians and the government bean counters, the Activity has been carrying out deniable operations, preparing the way for Delta and SEAL Team Six. Now, journalist Michael Smith gets inside this clandestine military team to expose their explosive history and secrets. Smith has spoken to many former members of the Activity and reveals the incredible truth behind the world's most secret Special Operations organization, a unit that is at the forefront of the war on terror.

Very detailed and gives rare glimpse into the special operations arena and some of the most public and even lesser known operations Well researched

A behind the scenes look at secret forces that have increasingly been tasked to take the fight to the enemies in their own backyard. A historical to current look at an elite fighting force that from humble beginnings has become a first line offense against terror.

The book gives a rare glimpse into the world of special ops.

Astonishing look inside the military's evolutionary approach to a difficult problem set. Great read for anyone interested in what elite jobs are within the military today.

Awesome book. Essential reading for SMUs.

An excellent read! Well documented, with in-depth knowledge of the workings of this semi secret agency. Keeping America and her allies informed and safe from the terrors of the world.

A must read, especially if you have PTSD.

Well thought out format, very informative. Answers a lot of questions of the last 10 years of war.
