Practice Makes Perfect: Italian Conversation (Practice Makes Perfect Series)

Synopsis

Practice the art of conversation in Italian! Want to strike up a conversation with a native Italian speaker but are nervous that you're not ready? Practice Makes Perfect: Italian Conversation helps you overcome that obstacle, and--before you know it--you'll be speaking comfortably in your new language. Inside you will find realistic conversational situations, from meeting people to talking about sports to discussing current events to just having fun. With these engaging dialogues as a starting point, each unit is packed with helpful instructions on correct grammar and word usage--in addition to lots of conversation-ready phrases that will be indispensable as your fluency increases. Of course you'll get plenty of practice, practice, practice using your new conversational skills. Each dialogue is followed by a variety of exercises that not only give you the opportunity to put new concepts into action but also encourage you to construct personalized conversations. These lessons will reassure even the most hesitant speakers that they too can achieve a confident--and spontaneous--speaking style. Practice Makes Perfect: Italian Conversation will help you Talk more like a native speaker and expand your vocabulary Master everyday Italian expressions through numerous realistic examples Reinforce your new conversational skills through extensive exercises Before you know it, you'll be confidently speaking Italian with your Italian-speaking friends--or you'll be ready to make new ones!

Customer Reviews

Marcel Danesi is a professor of semiotics and anthropology at the University of Toronto. He is the author of Practice Makes Perfect: Complete Italian Grammar.

It is a good review book to cement what you have already learned as a first year Italian learner. It would also be good for a beginner trying to learn on their own.

One in a series of Italian Practice books for people committed to learning a new language. Books can be used independent of each other or as a comprehensive language course.

It's a good way to review by yourself if you are trying to brush up for a trip to Italy, or for extra practice while you are taking a beginning course. You have the answers to the exercises at the back of the book.

I bought this to compliment my audio lessons I do daily. It helps with seeing how words are spelled and teaches good basic structure and conversation. It's definitely worth buying but you'll need to know a little Italian before this will be helpful.

love working on this. So far most of my learning has been via ear. This gives me a good idea how the words are written.

Absolutely excellent book. I'm enjoying it immensely. Absolutely recommend. It is an easy and clear approach to supplementing and learning Italian.

Excellent Book.

I love the Practice Makes Perfect Italian Series of books: the Conversation covers some of the quirks of Italian conversation.
