Average Customer Review: 3.9 out of 5 stars 5 customer reviews

Best Sellers Rank: #1,010,710 in Books (See Top 100 in Books) #97 in [Books > Travel > Europe > Bosnia, Croatia & Herzegovina](#) #124 in [Books > Travel > Africa > Egypt > General](#) #620 in [Books > Travel > Middle East](#)

Customer Reviews

I purchased this guide book for my dad. He loves to travel and also has a nice library he has been trying to fill up. He told me how much he enjoys the Knopf guides for their information but also their great pictures so I went ahead and purchased guides for many of the popular cities and countries. He has them all beautifully arranged on his library shelves. The spines of the guides look great!

We'd see the book before and are happy to have it in our travel library. It was in very good condition and will be used on our trip to Croatia this fall.

This was a very informative guide book with beautiful pictures and descriptions of areas. I was disappointed that it did not include more of the Dalmation Coast.

I took three guides on a three week trip to Croatia in 2006: Lonely Planet, Bradt's, and this one. I used the first two to learn about where to stay and eat. I used the Knopf guide to truly learn about Croatia's amazing natural and cultural offerings. The authors cover in much greater depth the historical, cultural, natural, and archaeological sites of lovely Croatia than any other guide book. It was an invaluable resource for choosing the best places to go and what to see and visit in the country. The book itself is a pleasure to use. It's gorgeous, well-designed, illustrated, and written. The maps were superb and the most practical and useful of any of my guide books. The book is as

useful on the ground as it is for pre-trip planning and dreaming.

The book was an old library book and was in OK condition. It's age was not highlighted well in the ad and we ended up with a guidebook that is & y/o.
