Customer Reviews

I was very disappointed that all of the photographs were black and white. The previews of the book showed the sample photographs in color. Mr. Eisner refers to the brilliant colors of some of the scenes in his text. I have travelled to Oslo and the photographs are a good representation.

Great photos and comments by the author throughout the book. I bought this book as a gift for someone who had traveled to Norway. She loved it and said that the pictures brought back great memories from her visit.
