Daniel E. Dempsterâ™s photographs of lighthouses, landscapes, equines, canines, and many other subjects have appeared in numerous calendars, books, and other publications.

This was just what we needed for our trip through the great lakes. I collect lighthouses but only those I have been to.

Great book. Helped greatly on our lighthouse adventure this last summer.

WHILE THE BOOK IS GENERALLY GOOD, IT DOES NOT INCLUDE ALL THE LAKE ERIE Lighthouses WHICH IS WHAT I WAS INTERESTED IN.

The condition of this used book is outstanding, This goes into my library and will accompany me when visiting Wisconsin and Minnesota. Really like the layout of the book. I would recommend this book for anybody interested in Lighthouses that dote the Great Lakes

The book really helped us on our Great Lakes vacation !
