Crochet: Filet Crochet. Learn The Timeless Art Of Filet Crochet

Synopsis

Filet Crochet Learn the Timeless Art of Filet Crochet Dorothy Wilks's latest book, Filet Crochet; Learn the Timeless Art of Filet Crochet, introduces you to the age old art of Filet crochet. With Filet crochet you can create stunning pieces of art by crocheting pictures into flat crochet using solid mesh and open mesh stitches. Used with thread and just about any weight of yarn, Filet is one of the most enduring and popular forms of crochet. In her book Dorothy introduces you to the basics of the Filet technique, the stitches used and how to crochet them, how to read a graph pattern, and how to crochet your very first Filet project. With her easy to understand instruction and clear images you will learn how to Filet crochet in no time. She explains how the different stitches come together in a pattern. These include: Open Mesh Stitch Solid Mesh Stitch Lacet Stitch Rectangles Big Squares Dorothy also includes her own original easy Filet patterns for you to practice your newly learned skills. She also includes a size chart for afghans so that you can create your own Filet afghan in sizes ranging from receiving blankets to king size beds. She also explains the math and how to figure out how many Filet motifs you will need for an afghan. Each stitch and step is fully explained and she also encourages you to create your own Filet charts. If you've always admired the delicate beauty of Filet crochet and you know how to crochet a chain stitch, single crochet, and double crochet stitches, this book is your first step to learning how to not only crochet Filet stitches, but how to read a Filet chart. Customer Reviews

Love this book! I've always loved crocheting but the filet style had always been so difficult for me. This book's easy to follow diagrams made it easy to understand. I now feel confident in my filet crocheting abilities and can't wait to get started on my next project. I also love that the book includes various stitches such as the lace, split mesh, open mesh and rectangles. There's also a handy size chart for afghans.

This is a good book. It sticks to the topic with clear concise and organized explanations. There are pics and charts and tables. I am glad to have this as an additional reference book.

Beginning level.

Great book!

Way too little content for any fee based product.

A good basic book, but should have been a little more detailed.

Did not find anything great..you can get much better instruction thru YouTube videos...it's ok nothing great but some may find it useful.

Easy to understand I now have a better understanding of what I am doing with filet crochet I recommend this
