The Berenstain Bears Learn To Share (Berenstain Bears/Living Lights)

Synopsis

So, sharing's fun. It's good to do, and lots of times--- it's easy, too. And if you share it's also true your fellow bear will share with you! What's more fun than spending alone time? Spending time with friends and family! Share in Sister Bear's joy as she learns that God has blessed her with great friends and lots of time and toys to share.

Customer Reviews

So, sharing's fun. It's good to do, and lots of times--- it's easy, too. And if you share it's also true your fellow bear will share with you! What's more fun than spending alone time? Spending time with friends and family! Share in Sister Bear's joy as she learns that God has blessed her with great friends and lots of time and toys to share.

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that

looks much like the sunny dirt road deep in Bear Country.

I always like the Christian message in these books. It isn't in all of them but some. I didn't love this book because it just doesn't rhyme well...seems drawn out...and doesn't really do the job as well as other books on sharing.

Great book for beginner readers! Some people may be bothered that it mentions God in some rhymes within the book but I don't get offended by it

Great book! I love how God is mentioned more than once in the story. My grand kids love it!

I got this on my 2nd grade son's Kindle Fire because we are trying our best to get him to read. He loves the Berenstain Bears and when he saw it was on his own Kindle Fire he asked if I would read it to him. I told him he had to read it since it was on his Kindle Fire. He sat down and started to read it to me!!!! Not only does the story have a great lesson to learn it also got my son reading! Thanks Jan and Stan for your books!

Great book because I am enjoying the book I just read the kids just love it just as much anyway

I thought the story was cute. It's also educational, because it teaches people how you should share.

This book has a great message in the story and one that children can relate to and learn from. The illustrations are colorful. This book is rated as a 2nd grade book in the accelerated reader program.

Fast simple book. Recommended for 1st graders. My son enjoyed this book. Easy words and enjoyable. Gave it a five star because my son loved it.
