# Grass Roots : An Illustrated History Of Bluegrass And Mountain Music

## **Synopsis**

This is a general history of bluegrass music and related old-time music, from its Appalachian origins to worldwide popularity. Hill's interesting study earned excellent reviews from bluegrass sources, and has remained in print for 20 years. Over 100 photos are included in this history, some of archival quality and many in color. GRASS ROOTS explores the lives, accomplishments and impact of many legendary performers, including Bill Monroe, Uncle Dave Macon, Flatt and Scruggs, Grandpa Jones, the Stanley Brothers, the Country Gentlemen and others who have pioneered and influenced our Southern mountain culture and the musical traditions it has inspired.

## **Book Information**

Paperback: 121 pages

Publisher: Academy Books; 1st edition (July 1981)

## **Customer Reviews**

"GRASS ROOTS begins at the beginning, tracing the origin of bluegrass to the stringbands and fiddlers of Appalachia, who were influenced by Irish and Scottish reels. [From there] Hill chronicles the rise to fame of the many bluegrass luminaries.... The book is handsome -- the art staff of Vermont Life magazine did the layout -- and the cover was thoughtfully conceived. GRASS ROOTS gives a nostalgic view of a nostalgic music." -- Burlington Free Press"GRASS ROOTS is a treasure, and I'm proud of it. [It is] very well written, and interesting to read. It is well put together. There is enough good pictures to make it eye catching, and enough interesting material to hold one's attention. I would highly recommend it, and shall do so in the JIM & JESSE Newsletter which I am currently putting together." -- Jean S. Osborne, President, JIM & JESSE Fan Club"I must say Mr. Hill certainly did a great deal of research... to write such an informative piece of literature. I am sure bluegrass fans all around the country would be pleased to have this book in their collection. The

pictures alone are well worth the price of the book." -- Sharon Volles, Central New York Bluegrass Association

Fred Hill is the author of OUTRUNNING YOUR SHADOW: CARING FOR DYING PARENTS (1999, VanMeter Publishing). He has also published scholarly articles, poetry, and over 50 short stories. His background in bluegrass includes experience as a radio DJ in Kentucky and Vermont and as a musician in bluegrass and other musical styles. Hill also taught high school social studies in New Hampshire. Today he lives in Indiana, picks a little banjo, is working on several other bluegrass publishing projects.

Good resource and information book. But it either needs to be updated or retired. There is hundreds of new information that should be in this book, and new bluegrass artists that have made it to the prime spot light.

It's been a great run folks, 27 years in print without a penny of advertisement or promotion... but GRASS ROOTS is heading off into the sunset. However, I will make it available as an e-book here at , as well as my updated BLUEGRASS BREAKDOWN. Thanks to everyone who helped with this book, bought it or read it---Fred Hill, 2007.
