How To Ace Mandarin Chinese Grammar: Mandarin Chinese Grammar The Shortcut Guide

Synopsis

Mandarin Chinese is difficult to learn, right? Of course, you can memorize thousands of new Chinese words with no problem, but it is very difficult to learn Chinese Grammar and hard to make sentences correctly. This book can help you study Chinese with no Grammar book. You already know sentence patterns and English grammar. So now, you just need to learn what is different and what is similar between Chinese and English. For example, there are absolutely no verb tenses in Chinese. It just needs use time adverbial in the sentence to show the time. This is a big different than English, but much easier rule to remember. In this book, the sentences are classified in different sections and each sentence with both English and Chinese for every section that we go through, you can easily compare Chinese and English. So you will quickly start to understand what is different and what is similar in both languages and the more you learn the easier it gets! This book also collected many Common Words and phrases, and classified with illustrative sentence in Chinese and English. After you read these illustrative sentence in Chinese and English, you will know how to use these Words and phrases
