Customer Reviews

This book will demonstrate distinctive approaches to make and additionally different formulas for custom made lip emollients. This incorporates a shopping rundown of incredible, common fixings to put in them, and also data on why natively constructed lip analgesics are better for your lips. I would prescribe this book to anybody that is keen on making some truly top notch and cool lip demulcents at their home, for endowments or as a cool movement.

It had some interesting recipes in their for making your own lip balm and I am looking forward to trying them. Thanks!

We're about to go into winter and I'm looking forward to trying these delicious sounding lip balm.....yes!!!

Love the recipes. Made my first lip balm today and was very pleased with how it turned out

I hate ads and promotions in a book not very informative better recipes on line and easier also. Glad it was free.

Many Many natural home made recipes of Lip balms. Very nice verity of many different Lip Balms to protect your lips.

Easy to follow recipes. The book itself is easy to follow...

I was charged for but never received!
