Best Of The Best From Minnesota: Selected Recipes From Minnesota's Favorite Cookbooks

Synopsis

Each cookbook in Quail Ridge Press' acclaimed "Best of the Best State Cookbook Series" contains favorite recipes submitted from the most popular cookbooks published in the state. The cookbooks are contributed by junior leagues, community organizations, popular restaurants, noted chefs, and just plain good cooks. From best-selling favorites to small community treasures, each contributing cookbook is featured in a catalog section that provides a description and ordering information -- a bonanza for anyone who collects cookbooks. Beautiful photographs, interesting facts, original illustrations and delicious recipes capture the special flavor of each state.

"If you are looking for a cookbook that conveys Minnesota, this gives you a bit of everything." --

Janice McFarland, Post-Bulleting

perfect item to have. arrived fast shipping and all the old recipies in it I had hoped for

MY BOOK CAME IN ON THE 11/17/16 I OPENED IT THOUGHT MYBE I'LL FIND SOME WARE BUT WHEN I OPENED IT WAS LIKE BRAND NEW I SAID BRAND NEW!!!!!!!!! THANK YOU
THANK YOU

I really enjoy the Best of the Best Cookbooks. It is very interesting to read all the interesting little tidbits about the state, the recipes are great also.

So many of the new cookbooks are from and for foodies who have forgotten their roots. What's wrong with Jello, canned beans and ketchup? These recipes are the oldies but goodies that our moms and grandmas served with love, and many of them will be around long after the artichoke and quinoa have taken the big dive. CAUTION: Using these occasionally may give you a reputation for being a great, old-fashioned cook.

Midwest comfort food. I collect best of the best cookbooks from every state that I visit. I already have Wisconsin and Illinois. There is a fair amount of recipe style repetition as one might expect. I have not found a recipe that I must try yet though if this is your first midwest cookbook it would be a good choice.

I grew up in Iowa. I have a handful of Iowa cookbooks. After purchasing this cookbook, I have looked through it several times and I can't find ONE recipe that I want to try. The book is filled with 60s-era semi-homemade recipes using ingredients like mushroom soup as a base. It's clear the authors just randomly selected recipes from community cookbooks with no consideration as to whether or not they were eatable and no kitchen trials. Don't waste your money. The classic is still, "Cooks Tour of Iowa." It contains real from-scratch recipes from various regions and immigrant groups in the state. If you don't want to spend money, "The Pioneer Woman Cooks" blog has a lot of up-to-date recipes that remind me of Iowa cooking and it's free. Her simple recipes are far superior to anything you find in this waste of paper.

This cookbook was a classic to send to a friend overseas. It was in perfect condition and was just as described, and the price and the shipping charge were very reasonable. Thank you.
