Customer Reviews

Wallpaper* City Guides are curated by an extensive network of travel experts, including in-house editors and on-the-ground correspondents.

Great book with a lot of helpful insight. I felt like the aim was for people with a bit more money than I was willing to spend in the city and a bit more design knowledge (even though I am a designer myself). I would definitely recommend but would buy a supplemental book as well. I recommend Citix60 for a more down to earth guide for younger crowds.

was a little bit dirty :-(
