Cost Of Living In The Philippines (How To Move To The Philippines Book 17)

Synopsis

The first thing that most people ask when I tell them that I live in the Philippines is that they want to know how the cost of living is here! Of course, the cost of living in the Philippines is much lower than most of the world, especially much less expensive than western countries. To answer this frequently asked question, I have put together this book telling you how much things cost in the Philippines. If you are looking for a place to retire or live your life where you can enjoy a great life while living on a budget, the Philippines is a great place to look at. Bob Martin is an American who has lived in the Philippines since 2000.
