Average Customer Review: 4.6 out of 5 stars 3 customer reviews

Best Sellers Rank: #1,175,505 in Books (See Top 100 in Books) #29 in [Books > Travel > United States > Washington > General](#) #1343 in [Books > Arts & Photography > Photography & Video > Nature & Wildlife > Plants & Animals](#) #1664 in [Books > Arts & Photography > Photography & Video > Photojournalism & Essays > Photo Essays](#)

Customer Reviews

I loved this photographic journey through an area that I visited a number of times when younger.
--Desert Cart

Very pretty book with great photos, but not much information. The sort we used to call a coffee table book.

For a general park guide with wonderful pictures, this is a great book. I'll let you know after we tour the park in August how useful it actually is. But it's worth the money for the pictures.

I loved this photographic journey through an area that I visited a number of times when younger.
