Kaplan PSAT/NMSQT 2015 Strategies, Practice, And Review With 4 Practice Tests: Book + Online (Kaplan Test Prep)

Synopsis

The most complete PSAT/NMSQT prep guide—delivering exclusive practice and online content guaranteed to raise your scores from the leader in test prep for 75 years! Think you don't need to prepare for the PSAT? Think again! The PSAT/NMSQT determines eligibility for the National Merit Scholarship and indicates preparedness for the SAT. Kaplan's PSAT/NMSQT Strategies, Practice, and Review is the most comprehensive guide available from the Kaplan team you trust to prepare you for test day success. In addition to scholarship eligibility, the PSAT reflects a student's strengths and weaknesses in critical reading, writing, and math; the three sections also tested on the SAT. With over 75 years of experience in test preparation, Kaplan is well versed in the techniques that will help you master the timing, strategies, and concepts necessary to score higher on the PSAT. The PSAT/NMSQT Strategies, Practice and Review includes:— Four realistic practice tests, plus one full-length online diagnostic— 500+ realistic practice questions with detailed answer explanations— Math Prep and Reading Comprehension Fundamentals— Vocabulary Building Basics including Root and Suffix Lists? Grammar and Writing Reviews— Study Guides for Singular and Group Prep— SAT Essay Practice to kick-start your SAT prep The unparalleled flexibility of Kaplan's PSAT/NMSQT Strategies, Practice, and Review is reinforced by its unique online companion that offers students the opportunity to prep anywhere they go. The Kaplan Virtual Companion includes a mobile version of the book and the online companion includes flashcards, videos, and quizzes to reinforce the concepts presented in the text. Kaplan has helped more than three million students to prepare for standardized tests. We know that our test-taking techniques and strategies work and our materials are completely up-to-date. — Kaplan PSAT/NMSQT 2015 — Strategies, Practice, and Review is the must-have PSAT prep tool for students looking to score higher!

Product Dimensions: 8.4 x 1.2 x 10.9 inches

Shipping Weight: 2.2 pounds

Average Customer Review: 3.7 out of 5 stars 29 customer reviews

Best Sellers Rank: #649,076 in Books (See Top 100 in Books) #40 in [Books > Education & Teaching > Test Preparation > College & High School > PSAT & National Merit](#) #524 in [Books > Education & Teaching > Higher & Continuing Education > Test Preparation > College Entrance](#) #2110 in [Books > Education & Teaching > Studying & Workbooks > Workbooks](#)

Customer Reviews

Celebrating 75 years as the world leader in the test prep industry, Kaplan Test Prep (www.kaptest.com) is a premier provider of educational and career services for individuals, schools and businesses. With a comprehensive menu of online offerings as well as a complete array of print books and digital products, Kaplan offers preparation for more than 90 standardized tests, including entrance exams for secondary school, college and graduate school, as well as professional licensing exams for attorneys, physicians and nurses. Kaplan also provides private tutoring and graduate admissions consulting services.

My son says the guide is good if you know nothing about taking the test. Lots of strategy but not enough practice tests.

We are a homeschool family and I wanted to being a PSAT prep course for my ninth grade daughter. I knew that I needed some sort of guide and decided to purchase the Kaplan guide because I, myself, used a Kaplan guide to prepare for the NCLEX-RN and it seemed very thorough and helpful. I am glad I purchased this guide because the Kaplan PSAT guide has been such a big help. We really appreciate all of the practices tests-- it comes with 4 tests! With so many PSAT prep choices on the market, I was glad I chose the one that works for us. Thanks, Kaplan!

My son just took the PSAT and said that these exercises were not up to date, so they essentially prep'd him for the obsolete exam. Don't get this book. He said the Princeton one was the most useful and up to date. From this experience, I will never again buy Kaplan materials - this is a cheap, quickie update to cash in with old material. I am disgusted.

This book has the old practice tests for the old PSAT format. Does not help at all for PSAT 2015. A waste of money and the description by Kaplan is deceptive.

This is NOT for the NEW PSAT. It says 2015 but is is NOT the NEW PSAT. I assumed because it had 2015 on the cover; it was for the new test. Buyer beware.

This book is easy to understand and demonstrates each problem clearly. However, the actual psat is slightly more difficult than this book. I would go for Barron's or Princeton review.

Although this might be a good book, my son was able to find some free material and tutorials online (developed by some private tutor in NJ) that he thought were more helpful.

This book does not account for the changes made to the PSAT Exam beginning in October 2015. They neglected to specify this in the description.
