I still go over tips from my 2005 tip a day calendar. They are very helpful.

I have been ordering this calendar for my husband for years. I really don't know if he could live without it now. He loves the most useful tips. He's used quite a few while golfing. Thanks!

Exactly as expected.

The calendar has saturday and sunday combined.Question: Why do people buy a page-a-day calendar?Answer: To write down things they need to do on each day.Do people not do anything on the weekends? No, they do more.Are saturday and sunday the same day? No that I know of.
